I understand that I am responsible for paying directly any applicable deductible/copayment. This is a mandatory requirement when receiving healthcare services. I understand that if I do not fulfill this requirement, my provider may notify my insurance carrier and seek alternative methods of collection. Failure to meet my financial obligations is a violation of my agreement/contract with my insurance carrier. I also understand that if I have unpaid deductibles or copayments owed to my provider longer than 90 days, my provider may terminate the doctor/patient relationship as a result, subject to the requirements of state and/or federal law.

I understand that my insurance card is required at each visit and if my insurance is not in effect at the time of visit, I understand that I am responsible for payment.

I have read the HIPAA medical information disclosure and understand the above.
